FAÇADE IMPROVEMENT APPLICATION

GENERAL PROCEDURES FOR FILING A FAÇADE IMPROVEMENT SUBMITTAL APPLICATION:

- ❖ Façade Improvement submittal applications may be obtained at the Community Development Services Department and may be initiated by the owner of the property involved or his legally designated representative.
- ❖ Applicants for façade improvement approval are required to arrange a pre-application conference prior to submittal to discuss their requests with a member of the Community Development Services Department staff. You may arrange an appointment by calling 954-390-2180.
- ❖ An application for façade improvements together with the appropriate fee, as established by resolution of City Commission, shall be submitted with forms provided by the Community Development Services Department following the pre-application conference.
- ❖ The Community Development Services Department shall review the application and all support documents for completeness and notify the applicant of any deficiencies in the application or support documents and specify what additional requirements are to be met. Once the Community Development Services Department has determined that the application and support documents are complete Planning and Zoning Board.
- ❖ The Community Development Services Department shall place the façade improvement application upon the next most appropriate Planning and Zoning Board agenda for public hearing. Planning and Zoning Board meetings are held regularly on the first Monday after the first Tuesday of each month, beginning at 7:00 p.m. A schedule of meeting dates and deadlines is available at the Community Development Services Department.
- ❖ The applicant will receive an agenda and staff report concerning the proposed façade improvement and staff recommendations prior to the Planning and Zoning Board meeting.
- ❖ The initial application submittal shall be accompanied by fifteen (15) copies of the façade improvement and other required plans and documents (see attached checklist). All plans shall be folded and bound together in separate plan sets with a cover sheet indicating plan sheet numbers. The overall size of plans shall be twenty-four (24) by thirty six (36) inches drawn at a scale no smaller than one (1) inch equals twenty (20) feet except when a smaller scale is approved by the Community Development Services Department. All plans shall be prepared by professional land surveyors, engineers, architects, landscape architects, or other appropriate professionals as applicable. Such professionals shall be licensed and registered in the State of Florida. All plans shall be prepared by the proper professionals as determined by applicable laws;
