RE: Campaign Signs

Subject Matter: What does the term "date" refer to when relating to campaign signs? Does date include the month and day or does date include the month, day and year?

Facts: Questions have been raised regarding whether campaign signs are required to have the year identified as part of the date requirement of the Code.

Code: Section 145-150(I) of the City of Wilton Manors Unified Land Development Regulations ("ULDR's) governs campaign signs. Section 145-150(I) states that the date of the conclusion of the campaign is to be printed on the campaign sign.

Interpretation: The term "date" can include the month and day (i.e. November 6) or the month, day and year (i.e. November 6, 2018). Campaign signs are not required to include the year however if they do there is no code violation.
