**ABOUT THE CITY OF WILTON MANORS**

Wilton Manors was laid out in 1925 by Edward John “Ned” Willingham, a land developer from Georgia, as an upscale residential community. It was recognized as a village in 1947 and incorporated as a city in 1953. Today, the City of Wilton Manors offers all the benefits of a big city from shopping, to hip restaurants and bars, a burgeoning arts community and tons of community events, yet still maintains a cozy, community-feeling offering miles of natural waterways perfect for kayaking, paddle boarding and other outdoor activities. In 2018, Wilton Manors was named the “Second Gayest City” in the United States, celebrating a diverse population of approximately 12,000 residents.
